AXIS UNIFORM KITS

AXIS students are required to wear uniforms every day throughout the entire school year unless otherwise arranged (i.e., special events or teaching activities). We would like to recommend that you purchase one of the kits listed below for every of your child enrolled at AXIS to suit their daily dressing needs at school. The **Basic Uniform Kit** should suffice their basic need, but the **Recommended Uniform Kit** will allow more flexibility, especially taking into consideration the humid weather in Xiamen.

All the new students will do the uniform fitting to find out their uniform sizes before the new school year. Should you need to arrange a fitting during school terms, please contact the HoS office at office@axisschool.org.cn. All uniforms are available for purchase on the school uniform supplier's official website: www.astonwilson.cn/AXIS.
